

The CORRESPONDENCES of SEVEN

These are mentions of events, occurrences or 'ways' that may not get mentioned in detail further on

THERE ARE **SEVEN PLANETARY ADJECTIVES** USED TO DESCRIBE OBJECTS EVENTS SITUATIONS:

1. SOLAR,
2. LUNAR
3. MARTIAL
4. MERCURIAL
5. JOVIAL
6. VENEREAL
7. SATURNINE

The correspondences with other affinities of seven are included within the entirety of the Thousand Petalled Lotus of Naughtiness. That concerns the character and nature of the Planets based around the curiosity of the number 7.

There are Seven months in one solar year that have 31 days. January, March, May, July, August, October, December.
30 days April, June, September, November.
28/29 days February

In the Ancient Roman world September was the seventh month.

THE SEVEN STARS OF PLEIADES:

A GROUP OF STARS

these are in fact a grouping of 7 with 2 ATLAS AND PLEIONE

WHO ARE FATHER AND MOTHER TO SEVEN DAUGHTERS:

STEROPE,
 MEROPE,
 ELECTRA,
 MAIA = MAIA WAS THE MOTHER OF HERMES by ZEUS
 TYGETA,
 CELAENO,
 ALCYONE

THE PLEIADES ARE PERSISTENTLY MENTIONED, QUOTED AND WRITTEN ABOUT IN MANY 'NEW AGE' videos publications, books and journals. People who write, concerning the Pleiades, are convinced that people from Earth, Our present World, are in contact with beings who hail from the star cluster, commonly known as, The Pleiades. Many people, who say that they are in communication with these beings, are, often, clairvoyant. Some folk, though, are sadly, delusional. A fair percentage. However, some seem completely genuine. The people of Our World cannot, yet, openly prove or explain to the public, that others from the outer worlds, exist.

However, if one were to look at this scenario in terms of numbers and 'perception', we can see that, in just our one Galaxy (from the Greek 'Galatea'), alone, there are a hundred billion stars. Our star: Sol is one of these one hundred billion. Our World: The Beautiful Earth, is just one planet in one of a hundred billion star systems where planets are orbiting these stars. Our World has life. Whereas the worlds that surround Our World are not yet fully evolved and are in a more primeval state. And so, Dear Friends, if one were to calculate the odds as to whether there was life 'out there' elsewhere in our galaxy, then, as the numbers increase, so too, do the odds that, there is not only life out there but there are thousands or even millions of worlds and moons that could support life.

Then comes the part

Is there intelligent life?

Well, Dear Friends, if one has observed that our cultures, right now, have presently evolved over approximately 7000 years, then, it is not a massive amount of time. But, because humans tend to live an average of 70 Solar Revolutions, then humans think that 7,000 years ago is a very long time.

Perception.

However, in the time that scientists think that the Universe or, at least our Galaxy, has been in existence some 13,700,000,000 years ago or 13.7 billion years, the 7000 years that our cultures have been in existence is a mere shallow out-breath for the collective consciousness of the universe. Like one of a billion feathery seeds blowing around in the autumn.

And so, if we go further and understand that our universe is now thought to have at least 2 trillion galaxies contained within, then, we may get some perspective around this issue as to whether or not there are intelligent lifeforms 'out there'.

When it comes to the Pleiades, People on Our World are recorded as having conversations and contact with beings from this star cluster. It appears that they have discovered 'inter-dimensionality'. Which is probably the only way that most beings will be able to cross the frankly, gigantic vastness of the cosmos. It seems that Mental Projection which is tied in with Remote Viewing is how people who say they are in contact with the Pleiadeans are managing to communicate. It does seem that the possibility of inter dimensionality will solve communication issues in the future. If one logs into the resource: "Dark Journalist" (Daniel Lizst) we are made aware of: not only the Elite predeliction for Mystery Schools but also that there are simply thousands of active covert operations in full swing that have a great deal to do with "contacting aliens". These and many other facets connected to the subject of Remote Viewing and extraterrestrial contact.

It seems, with the advent of the internet, that the flood gates of alien conspiracy and potential contact have been opened. The elites, now, are afraid of open societal contact with Outer-Worlders, because all the elites' industries and capital are

tied into the Human exploitation system of virtual matrix like corporate slavery. This makes the elites kings on Our World. And barely anyone is aware of this. This is why we do not have disclosure, Dear Friends. If outer world beings make contact and show us tech and science that actually made things better and cleaned up the, corporate caused, pollution on Our World, then, the Corporates and their very powerful individual stockholders would lose Trillions of monetary units. Because Our World and the people in it would collectively see that the corporates and their boards are literally stringing everyone along, completely unnecessarily. This is because the polluting corporates are largely invested in destructive obsolescent technologies that are very messy and exact a very high price from virtually everything that lives.

This investment in destructive tech and science is a very Solar series of repeat occurrences. We shall see as: The Thousand Petalled Lotus of Naughtiness unfolds, the corporations and the beings that control them, do not have an 'off' switch. Their remit is to 'control everything' and to that end, they are trying very hard to control what people think, say and believe. And what they consequently do. The advent of the internet has generally unravelled the Elites agenda. Which is only destructive and only about 'control' and enfolds us all in continuous entrapment. Rather like continuously being sucked into quicksand. And so the corporations and their boards of directors and major shareholders have really been the arbiters and controllers of what many humans read or view or hear about things going on in the general world, outside their lives.

People who have freed themselves from the physical dependence upon corporate usage or approval for anything, are now realising that we here, on Our World may only just be specks on a speck flying round a light speck flying round a black hole. But our big brains, that we actually barely use, could help us propel ourselves to the Stars and the Planets around them in ways that we cannot even, yet, comprehend. The star that we orbit could be just as much a person as you or i but we are almost forbidden to think this way precisely because of the massive amount of 'suppression' that many of us have been under or are still under.

Suppressed in so many many ways. And most are barely aware that they are suppressed. At all! The amount of suppression that humans are subjected to and therefore subject each other to, is what keeps humans always feeling trapped...or rather part of the huge solar entrapment that corporations have set up to hoodwink nearly everyone.

Of course we know that our Star is a fiery ball of Hydrogen, which is the simplest and lightest Element. But for the complexity of just a star, we may find that our Stars are like people, who talk and chat and communicate with one another through radiation through light through magnetism and gravity and then perhaps through combinations of these forces along with forces and rays that we have not yet understood or come to terms with. Vortex energy, for instance. Our current corporate science thinking may be very clever, but it has yet to come up with genuine solutions to some of Humans most fundamental, but most damaging problems: Which it has caused. the corporate scientism of the early 3rd millennium is having very negative consequences for Our whole World.

Rome is the home of the Vatican and the capital of Italy. although there is no Roman Empire now, there is a 'Papal influence' that has influence over 1 billion catholics around the world. Rome now, is the capital of one of the major western economic powers. Rome still holds enormous symbolic and cultural significance for millions around the world. Even today.

YIN	=	(MON)

THE SEVEN DAYS OF THE WEEK

In English	The Planet	In Latin
1. SUNDAY.	= The SUN	(Dies Solis)
2. MONDAY,	= The MOON	(Lunar Dies)
3. TUESDAY	= MARS (TIIW)	(Dies Marti)
4. WEDNESDAY	= MERCURY (ODIN, THOTH)	(Mercurius Dies)
5. THURSDAY	= JUPITER (JOVE, THOR)	(Jovis dies)
6. FRIDAY	= VENUS	(Veneris dies)
7. SATURDAY	= SATURN	(Saturnus dies)

In looking at the word 'dies' under the Latin list, It does not pronounce as 'dies': as in: 'bob dies in the end' the word 'dies' is pronounced 'dee - es' It means 'day of'.

The Romans, from the earliest times had calendars that were based on celestial events and the seasons with the longest and shortest day. By the 550's, The Greeks would have been in contact with the Romans as their colonists were very likely looking for places to settle, to farm, to trade and to worship. Definitive discussions would have ensued and eventually, Greek Gods become Roman gods. The consensus is that the Seven days of the Week came about through discussions and edicts issued by various Chaldean priests in and around Babylon during the 8th Century BC. Babylon was, then, in the hands of the Assyrians. The new Assyrian Empire was at it's height. And so if there were religious, astronomical, astrological edicts announced then these would have been disseminated to all corners of the new Assyrian Empire which included Iraq Iran Syria, Egypt, the Holy land going into south eastern Turkey. Phoenician sailors would adopt these new planites: their days of the Week. And very likely that these influenced the nascent Greek states and colonies; who were, later on, bumping into the Romans.

6. SLOTH

THE SOUNDS / Frequencies OF THE 7 PLANETS

IN HERTZ:

The Moon	= 210.42Hz	G sharp.
Mercury	= 1,3156842 x10 to the power of -07 Hz	C sharp
Venus	= 5,1509009 x10 to the power of -08 Hz	A major
Mars	= 1,684776 x10 to the power of -08 Hz	D major
Jupiter	= 2,6713984 x10 to the power of -09 Hz	F sharp
Saturn	= 1,0757054 x10 to the power of -09 Hz	D major

According to scientists, the Sun is like a series of Church bells ringing out at different frequencies. These sounds alter within their general range so no two sounds coming from the exploding Sun ever sound like each other. Like snowflakes. This means that like snowflakes, the Sun has a huge and changeable, alterable personality. According to more intuitive types, the Sun frequency if one were to give an overall general picture of the sound frequency we would arrive at a figure of 126.22 Hz. This is when the Sun is being measured by using Water. Instruments and interfaces are put into the water to harness the Sun's signal and then, the effect the sonic frequencies have upon the Water, is measured in Hertz.

THE GREAT MOSQUE AT MECCA HAS 7 MINARETS The mosque is the only building in the Islamic World (certainly the world of the Sunna which accounts 80% of the Islamic World.) to be allowed 7 minarets.

THE ISLAMIC WORLD BELIEVES THAT HEAVEN HAS SEVEN TIERS...hence 7th Heaven.

IN CHRISTIAN THEOLOGY, THERE ARE **SEVEN VIRTUES** TO MATCH THE SEVEN DEADLY SINS
THE SEVEN VIRTUES ARE:

1. HUMILITY
2. CHASTITY
3. KINDNESS
4. CHARITY
5. TEMPERANCE
6. PATIENCE
7. DILIGENCE

In the Book of Revelation at the end of the New Testament of the Bible, there are **54 references to the number Seven**
"And I saw seven golden angels with 7 golden vials" " And there were 7 angels with trumpets" ".. and there were 7 scrolls that were sealed"

IN HINDU CULTURE AT WEDDINGS, ONE MAKES **SEVEN PROMISES** TO ONE'S SPOUSE.

THERE WERE **SEVEN WONDERS** OF THE ANCIENT WORLD.

1. THE GREAT PYRAMID OF CHEOPS

THERE ARE ALSO SEVEN MODERN WONDERS OF THE WORLD although, with all things, these too are subjective.
These will be left up to the imagination of the Dear Friends.

THE GROUP OF SEVEN

IN MODERN POLITICS AND ECONOMICS THERE IS
 THE 'GROUP OF SEVEN': The G7
 IT IS THOUGHT THAT THESE COUNTRIES AND THEIR CORPORATIONS, BANKS, GUILDS AND GOVERNMENTS

CONTROL THE ECONOMIC OUTPUT OF THE WORLD BY ALLOWING OR RESTRICTING TRADE IN OTHER PARTS OF THE WORLD. THROUGH RESTRICTIVE TRADE PRACTICES AND MONOPOLIES. GATEKEEPERS, IF YOU LIKE.

THEY ARE THE USA
 THE UK
 FRANCE
 GERMANY
 ITALY
 JAPAN
 CANADA

TODAY, ONE IS ALSO AWARE OF OTHER COUNTRIES THAT HAVE LARGE ECONOMIES THAT ARE BEGINNING TO PULL THEIR WEIGHT. THIS IS SCARING THE TRADITIONAL NORTHERN POWERS AND WILL PROVIDE A BACKDROP FOR DIRECT OR INDIRECT CONFLICT IN THE FUTURE.

THEY ARE:	CHINA	IRAN	VIETNAM
	INDIA	INDONESIA	Taiwan
	RUSSIA	SOUTH KOREA	
	BRAZIL	MALAYSIA	
	SOUTH AFRICA	TURKEY	
	SAUDI ARABIA	PAKISTAN	
	MEXICO	EGYPT	
	NIGERIA	THAILAND	

THESE COUNTRIES HAVE LARGE POPULATIONS AND RESOURCES

AS WELL AS COUNTRIES WITH MANY BURGEONING ECONOMIES AND POPULATIONS THERE ARE ALSO TOTALLY FAILED STATES AND ECONOMIES. THESE ARE:

LIBYA,
 IRAQ,
 AFGHANISTAN,
 SOMALIA,
 YEMEN,
 CENTRAL AFRICAN REPUBLIC,
 VENEZUELA.

THE GOVERNMENT AND MANAGEMENT OF THESE STATES IS EITHER NON EXISTENT OR THEY ARE CRIMINAL ECONOMIES OR THEY ARE VERY BADLY MANAGED DICTATORSHIPS (*CURRENTLY, MADURO IS PRESIDENT OF VENEZUELA. VENEZUELA IS VERY STRATEGIC. IT IS VERY RICH IN GOLD, OIL, WATER, FOREST PRODUCTS, COAL.*) THESE STATES ARE EITHER IN A STATE OF PERMANENT COLLAPSE, OR THEIR ENTIRE ENERGIES ARE BASED ON WAR OR SURVIVING CRIPPLING INSURGENCY AND OPEN REBELLION.

ALTHOUGH THE AGENDA IS NEVER SPOKEN OF, ALL THESE COUNTRIES ARE EITHER RESOURCE RICH OR ARE IN STRATEGIC POSITIONS ON EARTH. AND SO, TO THE WESTERN POWERS, THESE COUNTRIES ARE ALMOST NO BETTER THAN COLONIES WHOSE RESOURCES MUST BE EXPLOITED AND WHOSE PEOPLE MUST BE SUPPRESSED. THE ONE OTHER THING THESE COUNTRIES HAVE IN COMMON WAS THAT THE WESTERN POWERS DID NOT CONTROL THE CENTRAL BANKS OF THESE COUNTRIES.

THE CENTRAL BANKS OF COUNTRIES ARE A NETWORK OF CONTROLLERS OF THE ECONOMIES OF NATIONS AND REGIONS OF OUR WORLD. ALTHOUGH THEIR REMIT IS TO PROVIDE CURRENCY, STABILISE INFLATION AND RAISE OR LOWER INTEREST RATES ACCORDINGLY, THE POLICY OF CENTRAL BANKS IS, ULTIMATELY, A WORLD WIDE CENTRAL BANK DIRECTORY: AN ECONOMIC ONE WORLD GOVERNMENT. THE POLITICAL ASPECT OF WORLD GOVERNMENT IS DISCUSSED ALL THE TIME, BUT POPULATIONS STILL LOVE THEIR COUNTRIES AND THE NUANCES OF THEIR DISTINCT CULTURES. QUITE UNDERSTANDABLY.

AND SO; WHILE THE CENTRAL BANKERS OF THE WORLD ATTEMPT TO REALISE THEIR DREAM OF A WORLD TECHNOCRACY, THE PEOPLE OF THE WORLD STILL WISH FOR FREEDOM FROM THE CONSTRAINTS OF THE

CENTRAL BANKERS AND THEIR COMPLETE LACK OF ANY EMPATHY TOWARDS THE PLIGHT OF LITERALLY HUNDREDS OF MILLIONS OF PEOPLE, THAT THEIR ECONOMIC POLICIES HAVE NEGATIVELY AFFECTED.

THE SEVEN SISTERS.

THESE ARE THE collective NAMES OF CHALK COASTAL CLIFFS BETWEEN EASTBOURNE AND SEAFORD IN EAST SUSSEX, UK. VERY SPECTACULAR. The Chalk is the skeletons of billions of sea creatures that have lived and died and whose bones sank to the bottom of the sea. This happened in their trillions. Creatures living and dying. So we could draw on a chalk board. How convenient!

THE SEVEN SISTERS ALSO REFERRED TO A CARTEL OF OIL COMPANIES in the 1970's WHO HAD PREVIOUSLY DOMINATED AND STANDARDISED THE OIL INDUSTRY
THEY ARE:

1. EXXON, (called ESSO in the UK. short for S. O. Standard Oil)
2. MOBIL,
3. GULF,
4. SOCAL, (Standard oil, California)
5. TEXACO
6. BP
7. ROYAL DUTCH SHELL.

IN SPITE OF THEIR RELATIVE LOW LEVEL PRESENCE THESE OIL COMPANIES (JAMES CORBETT CALLS THEM THE 'OILYGARCHY') DOMINATE WORLD FINANCE, BANKING, AND RESOURCE ACQUISITION. THEY DOMINATE PETROL AND OIL SALES IN ALL THE ANGLO AMERICAN ECONOMIES OF THE WORLD AND ARE DOMINANT AS DRILLING AND REFINING AND RETAILING PARTNERS IN MANY OTHER STRATEGIC COUNTRIES OF THE WORLD THAT HAVE OIL AND GAS.

Since their first foray into Oil, the profits of the Oil barons ('who are known as 'robber barons') have been placed in brand new industries. Newly created. The plastics industry was born out of the manufacture of Dynamite. All companies needed Dynamite. So it was natural that investors from the oil business would invest in the dynamite business. And so investing in the Dynamite business meant investing in the Plastics business. And the investment spiral continues. The Biotech revolution, the Nanotech, the telecommunications industries, seed and embryo research which has led to genetic engineering. EDUCATION, SCIENTIFIC RESEARCH, AGRICULTURAL, CHEMICAL Seed research is so that these corporations can control food, the growth of food, the distribution of food, and the the control and distribution of 90% of all commercial seeds.

These oil companies also work with the US and UK AND MANY OTHER governments on many projects. The monies accrued from the profits from oil then are re invested in other businesses that will continue to reap reward or profit or extend research. THESE BUSINESSES ALL MAKE PROFITS AND STEER PEOPLE VERY SUBTLY INTO BUYING THEIR PRODUCTS OR EVEN, 'NEEDING' THEIR PRODUCTS. THOSE PEOPLE WHO NEED THE PRODUCTS OF THE CORPORATIONS ARE OFTEN TOTALLY DEPENDENT ON THEM WITHOUT THEM EVEN REALISING. These corporations are often the commercial arm of the North Atlantic Military Industrial Complex. These industries along with the agencies of governments also went on to fund the now endemic silicon valley industries which are now an everyday part of nearly all our lives. The Seven Sisters general presence in the world of oil has diminished, somewhat, from the public eye, largely because giant national players are taking over from China, Saudi Arabia and so on.

Because the oil barons of the late 19th and early 20th century kept on investing money in products to do with oil or made from oil then this expanded their businesses thousands fold. They were then in a position because of their money, to change societies to suit them. During the first decade of the 20th century they debated privately, often secretly, how to do this, then, during the second decade they enacted their plans. During this decade we see a huge leap in all kinds of progress to do with mankind as well as the literal harvest of hundreds of millions of dead wounded starving or migrating people. In the 20's and 30's the idea of Technocracy became very seriously thought about and acted upon. Governments, or rather, the political classes of nearly all countries today, in 2020 are ever attempting to create a total homogeneity that they will be able to control. This is actually a very big part of the suppression of people in nearly all parts of Our World, today.

THE SEVEN YEARS WAR 1756 - 1763

This was possibly the first true World War. It took place simultaneously, in different parts of Our World and in many parts of Europe. French Canada was acquired by Britain. Britain also reduced the power of the French in India and eventually became masters of India. Britain also acquired more of America from the French and local Native north Americans. The war was, in part about British/French colonial rivalry.

Not only that; this conflict was about the emergence of Prussia as the fifth power of Europe and the potential later rivalries between Austria Hungary and Prussia. Making European power dynamics somewhat complicated. There were also potential rivalries between Austria Hungary and Russia,

Eventually, France lost out to Britain through a series of direct and proxy wars and battles. Britain became the foremost domineering colonial power.

Frederick II of was the prominent ruler in Prussia. He was also an exceptional soldier who expanded his territory and was able to exert power over other German states (Germany was fragmented into some 300 states of which Prussia was one of the largest) which is how Prussia came to be the 5th power and was eventually a century later, to enable the full unification of Germany. During the conflict, there were many battles fought at different sites in central Europe between various shifting alliances and countries that received subsidies. Britain subsidises the Prussians over the European war in over the area of Silesia. Which is particularly resource rich. The treaties that were eventually signed makes the British the colonial masters of the World with the most powerful Navy in Our World. Leaving a wounded resentful France nursing their wounds in 2nd place.

At the Peace of Paris in 1763 Britain obtained Canada from France as well as Newfoundland and much greater influence in India and west Africa. This is the series of events that projects Britain into becoming the foremost power of the World. As a result, the orientation of North America became Anglo Saxon in nature. Britain was able to further dominate the next 175 years until world war 2. Britain's naval dominance of the High Seas enabled the uninterrupted industrial and cultural development of the North American continent with an Anglo Saxon heirarchy. After the British exhaustion of World War 2. America became the dominant power. The current Thucydidian rivals are The United States versus The Asian hegemony of Russia, China and Iran.

THE SEVEN PILLARS OF WISDOM ARE A REFERENCE TO T.E. LAWRENCE IN HIS AUTOBIOGRAPHY OF THE PART HE PLAYED IN THE ARAB REVOLUTIONS AT THE END OF WORLD WAR ONE. THEY REFER TO A PASSAGE IN THE BIBLE "WISDOM HATH BUILDED HER HOUSE. SHE HATH HEWN OUT HER SEVEN PILLARS' FROM PROVERBS 9:1. LAWRENCE IS AN IMPORTANT COG IN BRITISH MIDDLE EASTERN POLICY. IT IS HIS ACTIONS THAT BRING ABOUT THE TENSIONS WE SEE TODAY OVER THE OIL RICH ARAB STATES. THESE STATES NOW USE THEIR OIL WEALTH AS BARGAINING CHIPS WITH THE WEST. AMAZON IS LITERALLY EATING UP THE RETAIL INDUSTRIES OF THE USA AND BRITAIN AS I WRITE. THESE SEVEN TECH CORPORATIONS HAVE THEIR FINGERS IN MANY OTHER PIES AND WOULD LIKE TO CONTROL WHAT EVERYBODY THINKS. ONE OTHER UBIQUITOUS TECH COMPANY SHOULD BE MENTIONED. THAT IS WIKIPEDIA. THEY HAVE TRIED TO PUT THEMSELVES AS THE FONT OF ALL KNOWLEDGE AND ARE ALWAYS AT THE TOP OF THE LIST WHEN IT COMES TO SEARCHES FOR INFORMATION. IT IS RECENTLY UNDERSTOOD THAT WIKIPEDIA ARE HUGELY BIASED IN MANY AREAS AND THAT THE ACCURACY OF THEIR INFORMATION IS QUESTIONABLE. BUT THIS HAS NOT STOPPED THEM FROM APPEARING AT THE TOP OF EVERY AND ANY SEARCH THAT ONE MIGHT CONDUCT ON THE INTERNET.

The Jewish Menorah, an oil or candle holder for the ceremonies regarding Jewish holy days and celebrations, **has 7 branches**. For Jews, each branch of the Menorah represents a holy day. to some early Judaic scholars the Menorah's seven branches represented the Planets in this order. From left to right: Moon Mercury Venus Sun Mars Jupiter Saturn. This effects a curious split where the year is divided into 52.14 day seasons. The Moon season at the beginning, the Sun season at the apex of the year and the Saturn season at the close of the Year.

According to Dr Edward Bach of Bach Flower Remedy fame, there are **7 groups of negative states of mind** that he discovered his flower remedies could treat. They are:

1. fear
2. uncertainty
3. insufficient interest in present circumstances
4. lonlieness
5. over sensitivity to influences and ideas
6. despondency and despair
7. over care for the welfare of others

Bach discovered his 38 Flower Essences during the 1930's. They are gentle and very effective. These 38 and his Rescue remedy are the foundation of all other flower essence remedies. As time has gone by, people have begun to specialise in different sets of flower remedies which appear to alleviate many symptoms and unhappy states of mind. People are also looking too, at gem essences. These are rock crystal remedies of many sorts. Because people feel they have an affinity for these things and study them and work through them. Are drawn to them. Like we are all drawn to Our Thing!

In another part of the book of Revelation of the Christian Bible, there are 7 candlesticks presented to the early churches in Asia Minor by the Angels.
